

EXHIBIT 2
SERVICE SELECTION TABLE

All four programs under this RFA use a unit cost for the direct provision of services. The unit cost for resulting contracts will be referred to as service rates. The service rates stipulated by Salt Lake County Aging & Adult Services (AAS), and the service rates specified by the provider herein are the rates allowed for each unit of services to be delivered. Any service rate increase to the contract must be approved by a written amendment to the contract.

Please select the service(s) your organization is applying for using the table below and indicate the Service Rate per Unit for each (unless fixed by AAS):

Check	Services/Supply	Definition	AAS Service Rate per Unit	Service Rate per Unit	Professional License Required
HOME HEALTH AGENCY (HHA) / PERSONAL CARE AGENCY (PCA)					
<input type="checkbox"/>	BUNDLED PERSONAL CARE SERVICES, WHICH INCLUDE THE FOLLOWING:				
	Home Health Aide One (1) hour (HHA1)	Services consist of but not be limited to personal care assistance, incontinent care, light housekeeping, light meal preparation, basic nursing and health maintenance provided by a certified home health aide to an individual. Home Health Aides must be able to conduct errands, provide routine household care, conversation, activities, and minimal pet care. Home Health Aides must be appropriately licensed as a certified nursing assistant, its equivalent, or higher.	\$7.25 (15 minutes = 1 unit)	Fixed	License for Home Health Agency - OR - License for Personal Care Agency
	Home Health Aide Two (2) hours (HHA2)				
	Companionship Home Health Aide One (1) hour (CHHA1)	Companionship Home Health Aide services are designed to provide socialization and support to isolated and fragile clients. Companionship Home Health Aides must be able to perform all services listed above in Home Health Aide. Companionship Home Health Aides must be appropriately licensed as a certified nursing assistant, its equivalent, or higher.			
	Companionship Home Health Aide Two (2) hours (CHHA2)				
	Homemaker One (1) hour (HMK1)	Serves the purpose of maintaining a clean and sanitary living environment in the individual's residence. Services consist of general household activities provided by a trained Homemaker to assist the person in maintaining his/her health and safety including ensuring safe access and egress to their residence. Homemakers must be able to assist with verbal medication reminders, verbal cues, meal preparation, conduct errands, provide routine household care, conversation activities, and minimal pet care. Homemakers do not need to hold any type of professional license. Homemakers may not, under any circumstance, provide skilled or hands-on care to the individual.			
	Homemaker Two (2) hours (HMK2)				
	Companionship Homemaker One (1) hour (CHMK1)	Companionship Homemaker services provide socialization and support to isolated and fragile clients. Companionship Homemakers must be able to perform all the services of a Homemaker. Companionship Homemakers do not need to hold any type of professional license. Companionship Homemakers may not, under any circumstances, provide skilled or hands-on care to the individual.			
	Companionship Homemaker Two (2) hours (CHMK2)				

Check	Services/Supply	Definition	AAS Service Rate per Unit	Service Rate per Unit	Professional License Required
<input type="checkbox"/>	Non-Medical Transportation (NMT)	Companionship Home Health Aide or Companionship Homemaker providing transportation of clients to community services, activities, and resources as specified by the program Case Manager care plan. This service shall be used with the Companion Home Health Aide or Companion Homemaker service.	\$15.00 (One way trip = 1 unit)	Fixed	License for Home Health Agency - OR - License for Personal Care Agency
<input type="checkbox"/>	Medical Transportation (MT)	Home Health Aide or Companionship Home Health Aide transporting a client to medical appointments and accompanying a client to a medical office. Aides must note physician change in care instructions and report changes to the program case manager and agency supervisor. Medical Transportation (one way trip) is limited to a 10 miles radius. Any medical transportation beyond 10 miles will be considered an additional unit per every 10 miles.	\$15.00 (One way trip = 1 unit)	Fixed	License for Home Health Agency - OR - License for Personal Care Agency
<input type="checkbox"/>	Chore Services Requires Bid (CS)	Consist of heavy household chores such as washing windows, floors, and walls, as well as moving heavy furniture items. Yard work and snow removal are not within the scope of Chore Services as defined within this contract.	Up to \$1,000 per occurrence	Fixed	License for Home Health Agency - OR - License for Personal Care Agency
<input type="checkbox"/>	Registered Nurse (RN)	Includes services listed in the plan of care that are within the scope of the State of Utah Nurse Practice Act and are provided by a Registered Nurse.	\$16.25 (15 minutes = 1 unit)	Fixed	License for Home Health Agency
<input type="checkbox"/>	Licensed Practical Nurse (LPN)	Includes services listed in the care plan that are within the scope of the State of Utah Nurse Practice Act and are provided by a Licensed Practical Nurse under the supervision of a Registered Nurse licensed to practice in the State of Utah.	\$8.50 (15 minutes = 1 unit)	Fixed	License for Home Health Agency
<input type="checkbox"/>	Personal Budget Assistance (PBA)	Provides assistance with financial matters, fiscal training, supervision of financial resources, savings, retirement, earnings and funds monitoring, monthly check writing, bank reconciliation, budget management, tax and fiscal record keeping and filing and fiscal interaction on behalf of the individual. The purpose of this service is to offer opportunities for participants to increase their ability to provide for their own basic needs, increase their ability to cope with day to day living, maintain more stability in their lives and maintain the greatest degree of independence possible, by providing timely financial management assistance to participants in the least restrictive setting.	\$7.25 (15 minutes = 1 unit)	Fixed	Not Applicable

Check	Services/Supply	Definition	AAS Service Rate per Unit	Service Rate per Unit	Professional License Required
<input type="checkbox"/>	Agency-Based Personal Attendant (ABPAS)	Personal Attendant Services include physical and/or cognitive assistance with eating, bathing, dressing, personal hygiene, and activities of daily living. This service may also include assistance with preparation of meals but does not include the cost of the meals themselves, homemaker services, or chore services. Providers of Personal Attendant Services may include agency-employed staff when the agency agrees to support the individual's control over specified staffing decisions relating to his or her personal attendant provided by the agency in keeping with the participant-direct service method. Providers who wish to offer Agency-Based Personal Attendant Services must also sign up to provide Personal Attendant Training Services.	\$3.75 (15 minutes = 1 unit)	Fixed	License for Home Health Agency - OR - License for Personal Care Agency
<input type="checkbox"/>	Personal Attendant Training (PAS Training)	Provides personalized training and instruction to the individual, family members, surrogates, and personal attendants. Training and instruction topics include explanation of the treatment regimens involved, proper performance of personal services, proper use of equipment, maintenance of a safe environment, and management activities associated with the employer/employee relationship. Training shall include updates as necessary to maintain the individual safely at home. Specific Personal Attendant Training services will be agreed upon by the individual, the program case manager, and the provider included in the client care plan.	\$15.92 (15 minutes = 1 unit)	Fixed	License for Home Health Agency - OR - License for Personal Care Agency
EMERGENCY RESPONSE SYSTEM (ERS) / MEDICATION REMINDER SYSTEM (MRS)					
<input type="checkbox"/>	Emergency Response System Installation (ERS Install)	Services consist of the installation, testing, or the removal of an Emergency Response System. Emergency Response Systems shall not be installed or removed without a service authorization generated by the program case manager. The testing of Emergency Response Systems must be included in the unit rate of the system and is not eligible as a separate billable charge.	\$50.00 Cap (1 unit = 1 time occurrence)	\$	Federal Communications Commission Registration
<input type="checkbox"/>	Emergency Response System (Landline) (ERS)	Services consist of an in-home electronic support system that enables high risk individuals to secure help in the event of an emergency. Provides two-way verbal communication and provides access to a monitoring center seven (7) days a week, twenty-four (24) hours per day. This service may be provided only to those individuals who live alone or who are alone for significant parts of the day. This system requires a landline.	\$40.00 Cap (1 unit = 1 month of service)	\$	
<input type="checkbox"/>	Emergency Response System (SIM/Wireless) (ERS2)	Services consist of an in-home electronic support system that enables high risk individuals to secure help in the event of an emergency. Provides a two-way verbal communication and provides access to a monitoring center seven (7) days a week, twenty-four hours per day. This service may be provided only to those individuals who live alone or who are alone for significant parts of the day. This system is for people who do not have access to a landline.	\$40.00 Cap (1 unit = 1 month of service)	\$	
<input type="checkbox"/>	Emergency Response System w/ GPS (ERS3)	This button automatically detects when a fall occurs and will call the monitoring center directly to make sure everything is okay and then respond accordingly.	\$45.00 Cap (1 unit = 1 month of service)	\$	

Check	Services/Supply	Definition	AAS Service Rate per Unit	Service Rate per Unit	Professional License Required
<input type="checkbox"/>	Emergency Response System w/ Auto Alert (Landline) (ERS + Auto)	This button automatically detects when a fall occurs and will call the monitoring center directly to make sure everything is okay and then respond accordingly.	\$45.00 Cap (1 unit = 1 month of service)	\$	Federal Communications Commission Registration
<input type="checkbox"/>	Emergency Response System w/ Auto Alert (SIM/Wireless) (ERS2 + Auto)	This button automatically detects when a fall occurs and will call the monitoring center directly to make sure everything is okay and then respond accordingly.	\$45.00 Cap (1 unit = 1 month of service)	\$	
<input type="checkbox"/>	Emergency Response System w/ GPS & Auto Alert (ERS3 + Auto)	This button automatically detects when a fall occurs and will call the monitoring center directly to make sure everything is okay and then respond accordingly.	\$50.00 Cap (1 unit = 1 month of service)	\$	
<input type="checkbox"/>	Emergency Response Additional Button (ERS Add)	Provides an additional emergency response button for the spouse of caregiver of the high-risk individual when ordered by the case manager. This service may be provided only to those individuals who live alone or who are alone for significant parts of the day.	\$5.00 Cap (1 unit = 1 month of service)	\$	
<input type="checkbox"/>	Medication/Health Care Reminder (1 call per day) (MRS1)	Services consist of an electronic device or verbal communication of a type that allows the individual to receive scheduled reminders to perform critical health care related activities (such as medication reminders).	\$14.00 Cap (1 unit = 1 month of service)	\$	
<input type="checkbox"/>	Medication/Health Care Reminder (2 calls per day) (MRS2)		\$20.00 Cap (1 unit = 1 month of service)	\$	
<input type="checkbox"/>	Medication/Health Care Reminder (3 calls per day) (MRS3)		\$26.00 Cap (1 unit = 1 month of service)	\$	
<input type="checkbox"/>	Medication/Health Care Reminder (4 calls per day) (MRS4)		\$32.00 Cap (1 unit = 1 month of service)	\$	
<input type="checkbox"/>	Automated Medication Dispenser Installation (AMD Install)	Services consist of the installation, testing, or the removal of Automated Medication Dispensers. Automated Medication Dispensers shall not be installed or removed without a service authorization generated by the program Case Manager. The testing and removal of Automated Medication Dispensers must be included in the unit rate of the system and are not eligible as separate billable charges.	\$50.00 Cap (1 unit = 1 time occurrence)	\$	
<input type="checkbox"/>	Automated Medication Dispenser (AMD)	Services consist of an automated mechanical medication dispenser and reminder equipment that is used when more simple methods of medication reminders are ineffective with a client.	\$86.00 Cap (1 unit = 1 month of service)	\$	

Check	Services/Supply	Definition	AAS Service Rate per Unit	Service Rate per Unit	Professional License Required
<input type="checkbox"/>	Automated Medication Dispenser (Wireless) (AMD2)	Services consist of an automated mechanical medication dispenser and reminder equipment that is used when more simple methods of medication reminders are ineffective with a client.	\$86.00 Cap (1 unit = 1 month of service)	\$	Federal Communications Commission Registration
<input type="checkbox"/>	Personal Alert System-Purchase (UPAS Purchase)	Services consist of an in-home electronic support system that enables low to medium risk individuals to secure help in the event of an emergency. Provides a two-way verbal communication through a wireless, GPS- enabled device. If the device allows users to set their own emergency contacts, the provider may not make changes without first receiving written authorization from the program case manager and 9-1-1 must be set as an immutable contact. This service may be provided only to those individuals who live alone or who are alone for significant parts of the day. This system is for people who do not have access to a landline. As the device will be unmonitored providers will be required to explain in detail in the Continuity of Operations/Emergency Plan how the client will get help in an emergency.	\$250.00 Cap (1 unit = 1 time occurrence)	\$	
<input type="checkbox"/>	Personal Alert System-Repair (UPAS Repair)		\$75.00 Cap (1 unit = 1 time occurrence)	\$	
<input type="checkbox"/>	Personal Alert System-Monthly Service (UPAS)		\$15.00 Cap (1 unit = 1 month of service)	\$	

SPECIALIZED MEDICAL EQUIPMENT, SUPPLIES AND ASSISTIVE TECHNOLOGY (ELC/SMESAT)

Specialized Medical Equipment, Supplies, and Assistive Technology includes devices, controls, or other appliances which are of direct medical or remedial benefit to the individual and items necessary for life support, ancillary supplies, and equipment necessary to the proper functioning of such items, and durable and non-durable medical equipment.

<input type="checkbox"/>	Raised Toilet Seat	Durable polyethylene plastic. One-piece molded seat with tapered flange – Seat 4 ¾ inches high, fits 10-inch to 12-inch openings.	\$35.00 Cap (Each = 1 Unit)	\$	Not Applicable
<input type="checkbox"/>	Rolling Shower Chair	PVC construction with heavy duty casters, mesh back, fits over standard height toilets.	\$210.00 Cap (Each = 1 Unit)	\$	
<input type="checkbox"/>	Transfer Bench	Adjustable seat and back. Supports up to 300 lbs.	\$89.60 Cap (Each = 1 Unit)	\$	
<input type="checkbox"/>	Bath Seat with Back	Rust proof with adjustable seat. Anodized aluminum tubing with non-slip tips. Seat and backrest molded of high-density plastic.	\$37.10 Cap (Each = 1 Unit)	\$	

Check	Services/Supply	Definition	AAS Service Rate per Unit	Service Rate per Unit	Professional License Required
<input type="checkbox"/>	Handheld Shower	Instant on and off water supply to prevent scalding. Reinforced vinyl hose 7 ft. long. Installs on a threaded shower arm.	\$47.57 Cap (Each = 1 Unit)	\$	Not Applicable
